Old Business

Active shooter drill that is being put on by the Rural Fire Dept. needing volunteers to help serve lunch.

Special Olympic Track Meet, we've sold 10 meals so far to date.

Special discussion of HOH and Special Olympic track meet funds, should go into the concession budget, or go into the the BC budget as a whole, or should we keep food fundraising in the general fund. It has been decided to put in concession budget.

Tessa Motioned June Seconded, motion carried.

New Business

A special request made that during the 14KG retreat this summer that the BC donate a specific amount of money for food, donation yet to be determined. 14KG will still be required to gain further donations from businesses as they normally would, this would be used to just help feed the kids while they are at the school. This donation may not even go forward depending on who the new choir director will be, all we in favor of waiting until summer to vote on an amount if any for 14KG retreat food, this will be discussed during the executive meeting and booster officers will vote.

Concession key needs to be left in the mailbox rather than the cash box. The office locked the cashbox and concession keys in the concession stand so the stand was unable to be opened on time.

Pub and Hosp will need a lead for next year, if anyone knows of any upcoming freshmen parents that would like to be involved send them our way.

Next Meeting Adjourn at 8:02 PM
