

## Music Boosters Minutes for January 6, 2020

The meeting was called to order by President Tessa Cline at 7:00 PM. Members present were Robin Bennett, Tessa Cline, June Campbell, Stephanie Balcom, Val Pfenning, Shellie Meyer, Angie Folkerts, and John Kropatsch, Seann Julian and Jody Furgsun.

We do not have November minutes to approve, December minutes were approved with Val motioning and June Campbell second.

Treasurer report was presented by June Campbell. A bill was presented for the steamers bought to be used by the vocal and band programs. Shellie moved and Steph Balcom second approval for the treasurer's report.

President report was present with concerns as to how we move forward with elections and how the boosters should continue. Will there be enough membership to continue on, how do we get more people to sign up for concessions, committees and just attend the meetings. The same people are signing up time after time. Discussion will continue with this and Tessa is going to reach out and discuss this with the administration and the two directors.

Concessions: Hoops Mania was forgotten about it so it will be given the Junior parents for post prom to be used as a money maker for Post Prom. Nikki Juengst is in charge of post prom, Seann will be letting them in. Vote was taken that in the years to come that it is offered to post prom and if they don't want it then they find another group that wants it.

Chuckwagon, snack items were served between the two Christmas concerts and they went over ok, but discussion was held as to if that was enough or maybe have a Subway party sub to serve the kids along with the snacks. If snacks are provided again for the Christmas concerts in 2020 back off by one of each item. Discussion was held about Middle School honor band and what to serve them. Pizza, granola bar and water will be the menu. Seann, Val and Steph will coordinate that for Feb 5, 2020 event.

Publicity and hospitality: Show band signs have not been ordered because we aren't sure on how many are in. That will be taken care of at a later date.

Band Uniforms: No report given.

Event and Awards: Vocal Statuette pictures taken and ordered and will be delivered to the senior parents when they are in. Band statuettes Tessa is in charge of. Discussion was held about doing one senior music picture like fall sports. Nothing was decided on this, it was simply mentioned as an option.

Craft Fair: Val visited with Mr. Hinkel and he is going to visit with Mrs. Gilliland to see if they would want to take the Santa pictures at the craft fair since the craft fair is the same day as State Esports. 2020 Craft Fair booths sold out.

Show Choir Report: Two parent groups will take care of snacks for the show choir kids for the first two competitions.

New Business: None

Concessions: We have added conference basketball games on January 28 and Feb 1.

Adjourn: 7:55 Val motioned and SeAnn second to adjourn.
