Scholarship winners from last year have had checks sent except for 2 students. Parents have been contacted to get their info.

Vice President's Report- Elaine picked up popcorn and salt today.

President's Report-

Putting together a donation list for Music Jubilee for band and vocal needs.

Band apparel will be finalized soon and order forms passed out. Please email if you have any color request besides the black or heather gray.

Sign Up is updated with Fall sports dates. Please sign up to help with concessions. Look for the QR codes to be posted around the building and concession stands.

Students need to complete 10 hours of concessions work per year (40 total) in order to be eligible for Music Booster scholarships.

Concession Report-

Corey thanked everyone for their help in working the stand last year. Looking forward to getting back to a normal concession stand year. Only one stand will be needed for sports.

John Kropatsch will be responsible for filling the propane tanks for the grills. SaDonna and Dave Manfull have agreed to be Grill Master's for home football games again. Coke will be a new vendor for the district. Our representative will be looking at schools similar to our district and start with products they use. He will work on keeping track of what we need each week and get it delivered. If there are any Coke products requested, we will look at possibly adding them. New signage will be added to concession stands. Equipment will be placed August 18th.

Outdoor stand was not cleaned and the grill was used without permission and not cleaned. Rolling cooler was left outdoors.

Floors need to be cleaned. Val Pfenning was checking on getting a cleaner to use on the floor. Some equipment is being loaned out over the summer for use. Discussion was had about why it is being loaned out and no payment for wear and tear on our equipment.

Val Pfenning made a motion to not loan out Music Booster equipment. Jennifer Fischer seconded the motion. Vote was unanimous and passed.

Looking for people who will help with concessions and ordering a picking up food product as needed. John Kropatch, Kate Ames, Terri Saathoff, and Jennifer Fischer have volunteered to help with this.

Chad Fischer motioned that half of the students yearly hours (5 hrs) must be worked by the student to qualify for Music Booster scholarships. Jason Heck approved the motion and Jennifer Fischer seconded. Vote was unanimous and the motion passed. This change will start this year.

Casey Heck proposed a motion that students who work 10 hours in the concession stand each season have their name put into a drawing for a chance to earn a \$50 gift card to a business of their choice. Annette Schimmer approved the motion and Val Pfenning seconded. Motion passed.

Chuckwagon-

Seann is looking for someone to help this year so they can take over next year. Responsibilities are lining up meals for band competition days and the kitchen for Craft Fair. If interested, please contact an officer.

Events and Awards-

Band and Flag pictures will be taken soon. Uniforms are still at the cleaners.

Yard Signs will be ordered when names are finalized from Band and Choir.

Craft Fair-

No booths are left. There is a wait list for vendors. Val is looking for someone to help take over. Please let us know if you would be interested.

Band Mom-

If interested in being a parent volunteer, please contact us. Val needs help with riding the bus and parents to help the front ensemble get equipment for competitions.

Band Uniforms-

Students have been fit for uniforms and they are off to the cleaners. Any parents interested in helping, please contact us.

Next Meeting will be Monday, September 6 at 7:00.

Motion to adjourn made by Val Pfenning and seconded by Seann Julian.
